Alyssa Powell/Business Insider Updated March 12, 2019 at 1:05 .m ET. Although Cyber Monday is officially over, many of Amazon's best deals still work and are available for shopping during Cyber Week. Not all colors are available at this price, and stocks are happening quickly, so choose carefully. We are part of Almond cream coloring, which is included in the sale when we last checked. Note that this isn't the lowest price we've seen mixers in on Amazon – it's about \$80 cheaper on Black Friday, but this may be the lowest you see it until the next big holiday sale. 11. Best Water Bottle Contract: Takeya Takeya Vacuum-insued water bottle, \$14.32 (originally \$23) [You save \$8.68] We bring takeya bottles in our own life and would recommend dropping up on a few of these for yourself or as gifts.
